

Proposal for the appropriation of MLP SE's unappropriated profit 2023*

(Please note that only the German version of the proposal for the appropriation of MLP SE's unappropriated profit 2023 is legally binding)

Pursuant to § 170 (2) of the German Stock Corporation Act (AktG), the Executive Board proposes that the unappropriated profit of € 45,114,976.29 disclosed in the annual financial statements for the year ending December 31, 2023 be used as follows:

	Dec. 31, 2023
	€
Dividend payout to shareholders	32,789,287.20
Transfer to retained earnings	12,300,000.00
Profit brought forward	25,689.09
Unappropriated profit	45,114,976.29

This proposed appropriation of earnings is based on the assumption of share capital eligible for dividend on the day of the Annual General Meeting in the amount of €109,297,624.00, split into 109,297,624 ordinary shares. Should the actual number of dividend-bearing shares – and thereby the total dividend – change up to the time of passing the resolution on the use of unappropriated profit, the Executive Board and Supervisory Board will submit a correspondingly revised resolution proposal on the appropriation of profits, which still provides for a dividend payout of €0.30 per dividend-bearing ordinary share. The amendment is performed as follows: Insofar as the number of dividend-bearing shares - and thereby also the total dividend - is reduced, the profit brought forward will increase accordingly. Insofar as the number of dividend-bearing shares - and thereby also the total dividend - is increased, the profit brought forward will reduce accordingly.
