

Proposal of the Executive Board for the unappropriated profit for the year 2024*

(Please note that only the German version of the Proposal of the Executive Board for the unappropriated profit for the year 2024 is legally binding)

Pursuant to § 170 (2) of the German Stock Corporation Act (AktG), the Executive Board proposes that the unappropriated profit of €39,362,179.59 disclosed in the annual financial statements for the year ending December 31, 2024 be used as follows:

	Dec. 31, 2024
	€
Dividend payout to shareholders	39,330,097.92
Transfer to retained earnings	0.00
Profit brought forward	32,081.67
Unappropriated profit	39,362,179.59

This proposed appropriation of earnings is based on the assumption of share capital eligible for dividend on the day of the Annual General Meeting in the amount of €109,250,272.00, divided into 109,250,272 ordinary shares. Should the actual number of dividend-bearing shares – and thereby the total dividend – change up to the time of passing the resolution on the use of unappropriated profit, the Executive Board and Supervisory Board will submit a correspondingly revised resolution proposal on the appropriation of profits, which still provides for a dividend payout of €0.36 per dividend-bearing ordinary share. The amendment is performed as follows: Insofar as the number of dividend-bearing shares - and thereby also the total dividend - is reduced, the profit brought forward will increase accordingly. Insofar as the number of dividend-bearing shares - and thereby also the total dividend - is increased, the profit brought forward will reduce accordingly.
