

## MLP publishes Annual Report and Sustainability Report 2021

- The Group also presents its Sustainability Policy

**Wiesloch, March 28, 2022** – The MLP Group today presented its Annual Report for the financial year 2021, confirming the business figures published at the beginning of March. The Annual Report is available at [www.mlp-annual-report.com](http://www.mlp-annual-report.com).

Furthermore MLP today published its Sustainability Report for the financial year 2021. This report has recently been significantly further developed, especially with regard to the data collection of emissions caused within the MLP Group. Further on, the focus of sustainability management in the Group is on avoiding and reducing emissions. In addition, MLP ensures compensation through certified, international climate protection projects and thus achieves climate neutrality for the year 2021. The Sustainability Report is available in a modern new online format at [www.mlp-se.com/sustainability/](http://www.mlp-se.com/sustainability/).

The recently adopted Sustainability Policy of the MLP Group can also be viewed there. This forms a jointly supported framework for sustainability in the MLP Group and the individual Group companies commit themselves to clearly defined sustainability goals.

The Annual General Meeting will be convened on June 2, 2022 and will be held online due to the Corona pandemic.

The MLP Group with its brands Deutschland.Immobilien, DOMCURA, FERI, MLP, RVM and TPC is the financial services provider for private, corporate and institutional clients. Special added value is created by networking the various perspectives and areas of expertise – enabling clients to reach better financial decisions. To this end, the MLP Group competently combines personal and digital offers. Several of the brands also offer selected products, services and technology for other financial services providers.

March 28, 2022

- Deutschland.Immobilien – The real estate platform for financial consultants and clients
- DOMCURA – The underwriting agency for financial consultants and platforms
- FERI – Investment management for institutional clients and high net worth individuals
- MLP – Financial consulting for discerning clients
- RVM – The insurance broker for SMEs
- TPC – Occupational provision management for companies

An intensive transfer of knowledge and expertise takes place within the network. The specialists support one another in the areas of research and concept development, as well as in client consulting. This valuable and targeted interaction generates additional value for clients, as well as for the company and its shareholders. Economic success also forms the basis for accepting social responsibility.

The group was founded in 1971 and today manages for more than 562,000 private and 24,800 corporate clients almost EUR 57 billion in assets and a portfolio volume of around EUR 555 million in non-life insurance. In addition to this, more than 10,000 financial services providers take up the services on offer.
