

MLP Group strengthens corporate client business: Further acquisition in the Industrial Broker segment

- **Industrial insurance broker Dr. Schmitt GmbH Würzburg – Versicherungsmakler (DSV) is the latest addition to the RVM Group**
- **The transaction boosts sales revenue in the Industrial Broker segment, which is represented in the Group by the RVM Group, to around EUR 30 million**

Wiesloch/Würzburg, April 4, 2022 – On April 1, 2022, the RVM Group, a company of the MLP Group, acquired one hundred percent of the shares in DSV from the sole shareholder, HWT Invest AG. DSV is a broad-based industrial insurance broker with more than 50 years of expertise, in particular in the areas of healthcare and commercial properties. In 2021, the company, which employs some 85 staff, generated sales revenue of around EUR 6 million. The purchase price is in the low double-digit million euro range. With the purchase of DSV and the previous acquisitions, the annual sales revenue in the Industrial Broker segment increases to approximately EUR 30 million. The Industrial Broker segment is represented by the RVM Group, which has been part of the MLP Group since April 2021.

About MLP:

The MLP Group with its brands Deutschland.Immobilien, DOMCURA, FERI, MLP, RVM and TPC is the financial services provider for private, corporate and institutional clients. Special added value is created by networking the various perspectives and areas of expertise – enabling clients to reach better financial decisions. To this end, the MLP Group competently combines personal and digital offers. Several of the brands also offer selected products, services and technology for other financial services providers.

- Deutschland.Immobilien – The real estate platform for financial consultants and clients
- DOMCURA – The underwriting agency for financial consultants and platforms
- FERI – Investment management for institutional clients and high net worth individuals
- MLP – Financial consulting for discerning clients
- RVM – The insurance broker for SMEs
- TPC – Occupational provision management for companies

An intensive transfer of knowledge and expertise takes place within the network. The specialists support one another in the areas of research and concept development, as well as in client consulting. This valuable and targeted interaction generates additional value for clients, as well as for the company and its shareholders. Economic success also forms the basis for accepting social responsibility.

The group was founded in 1971 and today manages for more than 562,000 private and 24,800 corporate clients almost EUR 57 billion in assets and a portfolio volume of around EUR 555 million in non-life insurance. In addition to this, more than 10,000 financial services providers take up the services on offer.
