MLP SE publishes Annual Report and Sustainability Report 2023

Wiesloch – MLP SE today presented its Annual Report for the financial year 2023, confirming the business figures published at the beginning of March. The Annual Report is available at www.mlp-annual-report.com.

MLP also published its Sustainability Report for the financial year 2023 today. At company level, the focus of the sustainability management remains on an active climate protection strategy, i.e. the avoidance and reduction of emissions resulting from the own business operations. At the level of client consulting, sustainability likewise plays an important role: MLP's private client business offers a comprehensive and growing range of sustainable product solutions in the respective competence fields. Additionally, the SDG Office of the subsidiary FERI operates as a central competence centre in the MLP Group.

The Sustainability Report is available at <http://www.mlp-se.com/sustainability/>.

The Annual General Meeting will be convened on June 27, 2024.

The MLP Group ...

... and its brands Deutschland.Immobilien, DOMCURA, FERI, MLP, RVM and TPC is the financial services provider for private, corporate and institutional clients. Special added value is created by networking the various perspectives and areas of expertise – enabling clients to reach better financial decisions. To this end, the MLP Group competently combines personal and digital offers. Several of the brands also offer selected products, services and technology for other financial services providers.

- **Deutschland.Immobilien** – The real estate platform for clients and financial consultants
- **DOMCURA** – The underwriting agency for financial consultants and consultant platforms
- **FERI** – Multi asset investment firm for institutional investors and high net worth individuals
- **MLP** – Financial consulting and banking for discerning clients
- **RVM** – Risk manager for insurance and provision for SMEs
- **TPC** – Benefit expert network for enterprises

Press Release

March 28, 2024

An intensive transfer of knowledge and expertise takes place within the network. The specialists support one another in the areas of research and concept development, as well as in client consulting. This valuable and targeted interaction generates additional value for our clients, as well as for the company and its shareholders. Economic success also forms the basis for accepting social responsibility.

The Group was founded in 1971 and manages assets of around Euro 57.0 billion for around 580,000 private and around 27,400 corporate and institutional clients as well as non-life insurance portfolio volumes of around Euro 687 million. In addition to this, more than 10,000 financial services providers take up the services on offer.
