## Highlights FY 2021

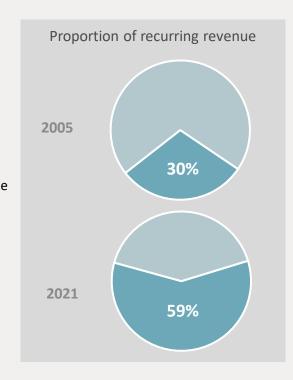

- FY 2021: **Total revenue** increased for the eighth year in succession, setting **new alltime high** at € 934.5 million
- Particularly strong gains recorded in real estate brokerage (up 59 percent) and wealth management (up 36 percent) – significantly higher performance-based compensation than planned
- Despite challenging framework conditions and ongoing investments, earnings before interest and taxes (EBIT) significantly above the previous year's level at € 96.8 million (2020: € 59.4 million)
- Executive Board proposes dividend of 30 cents per share (2020: 23 cents)
- Further development of MLP resolutely driven forward past financial year as a further, particularly successful intermediate step

## Forecast 2022 – EBIT benefits from successfully implemented growth drivers

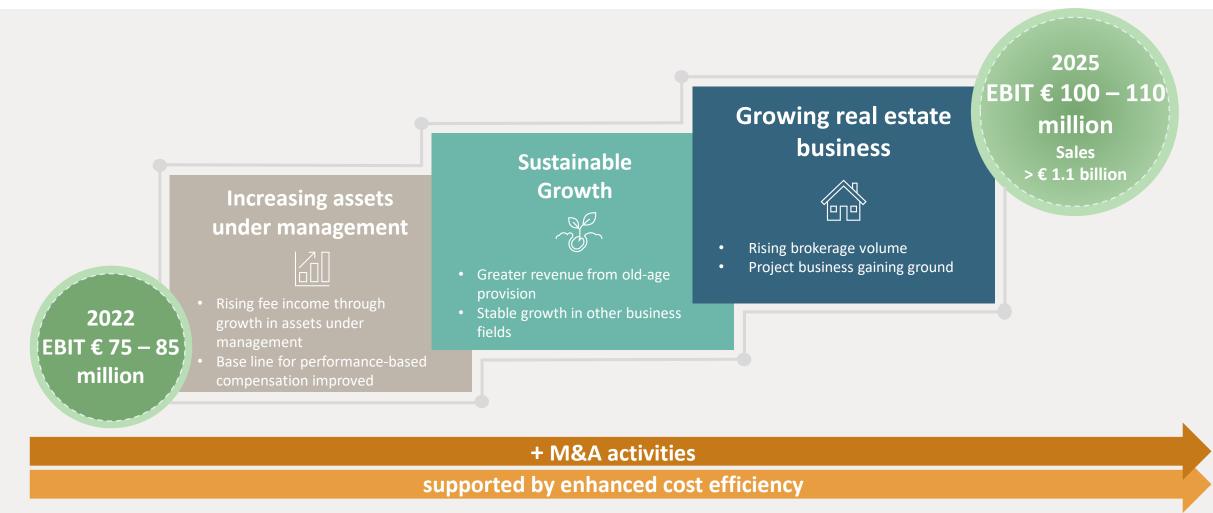

#### Forecast 2022 – Diversified revenue growth

Qualitative assessment of revenue development

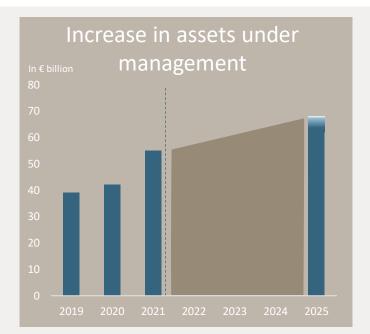

very positive: ++, positive: +, neutral: 0, negative: -, very negative: --

## Planning for 2025 – EBIT and sales revenue reaching the next level

### Success factors for growth to next EBIT level in 2025

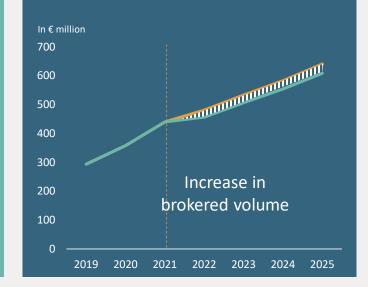

- Constant growth in assets under management to € 62 to 68 billion, leading to greater fee income
- Contribution of institutional and private clients

- Young segment broke even in 2021 / further growth in old-age provision thanks to seasoned consultants
- Ongoing recovery in occupational pension provision
- Constant growth of the non-life insurance portfolio volume
- Sustainable growth in all parts of the Group

- Brokered real estate volume rising to € 600 to 640 million
- Established project business with increasing earnings contribution

24

- A wide range of challenges overcome, while seizing opportunities in markets –
   2021 again represents an exceptional and particularly successful year for MLP
- MLP Group now stronger and more diversified than ever before, at the same time additional growth potential created – Forecast for 2022 and Planning for 2025 underpin this
- Confident start to the year despite increased risks in the markets focus already on the **next period of growth**: planned EBIT of € 100 to 110 million in 2025
