After registering, please activate your camera and microphone before joining the meeting room. You may need to allow access to your camera and microphone in advance (pop-up window). **Both camera and microphone are automatically deactivated by the operator after you enter the virtual meeting room** – your presence is only visible via a small tile with your initials.

If you wish to ask a question, please announce it in writing. You can indicate whether you would like to ask it with "picture and sound", "only with sound" or "purely in writing". If purely written, please enter the question directly in the text field.

If you would like to ask your question with picture and sound or only with sound, the operator will ask you to activate your camera/microphone as soon as it is your turn.
